On behalf of the Group S Racing Association, I am writing to compliment Festival of Sporting Cars for an outstanding race meeting at Wakefield Park on 20-21 October.

The structure of the program which provided Group S entrants with three Group S races and then two mix-n-match races with compatible cars has been the subject of much favourable comment by GSRA members.

When combined with enthusiastic officials, good organisation, and excellent race program execution, it made for a fine weekend of motor racing especially Group S motor racing.

Please pass our congratulations to all concerned with the Festival of Sporting Cars.

The GSRA which has been a foundation supporter of Festival of Sporting Cars and its predecessor MG Racing looks forward to working with and supporting FoSC in its race meeting program for calendar year 2008.

Yours sincerely, and with best wishes for Festival of Sporting Cars,

Brian Weston

President – GSRA
