Queensland GSRA Registrar

19th August 2008

Dear Mike,

It is with pleasure that I am writing to compliment the HRCC on the conduct of the annual Historic Warwick motor races and I also wish to apologise for any inconvenience caused by the association's late request to place all Group S cars together in one grid.

The GSRA normally seeks to race all Group S cars together unless other issues such as track density dictate breaking up the Group S field. Perhaps the association should have expressed this earlier to the HRCC and again I apologise if our late request caused your organising committee any inconvenience.

As to the meeting, it was most pleasing to see the increasing trend in Group S numbers. From reports the GSRA committee has received it was an excellent meeting, which exhibited the traditional levels of hospitality which are now a hallmark of the meeting.

The GSRA looks forward to continuing our support for the meeting and I trust that 2009 will see an even larger contingent of Group S entrants.

In conclusion, I might note that the GSRA constitution states our "purpose shall be to represent the interests of owners and drivers of Group S cars in the course of participation in historic sports car motor sport" and that we look forward to working with promoters such as the HRCC in organising and conducting race meetings with an attractive Group S program.

Yours faithfully,

Brian Weston
President – GSRA

The GSRA was established in January 2006 and it recently issued member number 143. The GSRA represents the Group S community's resident in NSW, ACT, VIC, SA and QLD and is affiliated with the Confederation of Australian Motor Sport.
